On our classic tours we take care of everything, leaving you to sit back and enjoy the experience to the full. The tours are fully inclusive with all meals and a comprehensive touring programme.

PHYSICAL LEVEL 2:

All our tours feature a physical rating to help you select the right holiday for you. To travel on any of our tours requires unaided mobility and the ability to stroll around the sights. 'Chile: Top to Toe' is rated 2 on the physical level scale. A reasonable level of fitness is required but it's more about spending time on your feet rather than covering large distances. You will be getting on and off coaches and boats, walking around the sights and climbing some steps.

- A number of destinations on this tour are at altitude. San Pedro de Atacama sits at 2,400 metres above sea level and Tatio Geyser reaches over 4000 metres – activity at these altitudes will be at an easy pace.
- You will be required, on several occasions, to climb on and off boats without assistance and spend an extended amount of time on boats in open water.
- There will be several days of sightseeing on foot for an extended period of time and in some cases for several hours.

Of course, our National Escort will always endeavour to provide the highest level of service and assistance; however, they cannot be expected to cater for customers who are unfit to complete the itinerary.

SOUTH AMERICA – CHILE - TRAVEL INFORMATION

VISAS:

New Zealand passport holders currently do not require a visa to enter Chile. Your passport needs to be valid for at least six months beyond your intended return date to New Zealand.

Please note the visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate; Wendy Wu Tours acts as a third party and has no influence on the process of a visa. Your travel consultant will inform you if any changes are applicable prior to your departure.

INSURANCE:

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance.

We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original

ALTITUDE:

On this tour you will be spending several nights at altitude – in San Pedro de Atacama at 2,400 metres, and on Day 5 whilst visiting the El Tatio Geysers you will reach altitude of 4,320 metres. At these sort of altitudes, Altitude Sickness is a risk. Symptoms may include dizziness, fatigue, nausea and shortness of breath. It is recommended that travellers utilise their first day in high-altitude destinations to acclimatise. To help you acclimatise we have designed our tours to be at a slower pace with more convenience stops and more free time during the first few days. Staying hydrated, eating light meals and following a very light schedule will all help. We recommend that any symptoms that are unusual should be brought to the attention of your National Escort. Your National Escort will be extremely well-trained in dealing with its effects. Serious cases mean that you must descend immediately, are rare. We have adapted the itinerary to make sure that your time at these heights is as relaxed and easy as possible.

There are no specific factors, such as age or fitness, that can cause you to suffer from altitude sickness. This can affect anyone at any time and symptoms may vary. All the hotels that we have selected to use on our programmes provide oxygen free of charge; please ask to use this. There is medication that can help treat and prevent symptoms. Consult a doctor before taking any of these medications, before engaging in strenuous activity at high altitude and regarding any necessary vaccinations in plenty of time before travelling.

EATING IN CHILE:

The diversity of the landscape provides Chile a tremendous amount of produce, meat and seafood, essentially unparalleled in the rest of the world. The unique environments are well represented in Chilean cuisine, being equally as varied. Typical dishes are hearty and filling, containing a combination of meat or seafood and vegetables, often put into a crust. A great example of Chilean cuisine are empanadas, which are fried beef, onion and olive dumplings, served all throughout the country. Others include a thick stew called cazuela de ave and an indigenous recipe of corn and onions cooked in cornhusks called humitas. Because of its long coast, seafood is a staple in many dishes, especially across the centre and south. Chile's supply is funnelled into Spanish-influenced dishes such as marinated shrimp and paella. Meals in Chile are culturally considered as a time for families to gather at home, especially around lunchtime, which is the primary meal of the day.

Your itinerary has been carefully crafted to introduce you to a range of local dishes and we hope that you enjoy the culinary adventure ahead. All meals (excluding drinks) are included in our fully inclusive group tours from dinner on the day of your groups' arrival until breakfast on your day of departure.

Those with dietary requirements will be well catered for - just make sure to inform your booking agent of any specific requirements well in advance of your trip.

Whilst we strongly recommend trying as many local dishes as possible, Chile also has a wide range of international dishes and local wines to enjoy.

TRANSPORT:

Coaches: Coaches with air conditioning are used on our group tours for city short excursions to the countryside and longer transfers between destinations. Roads in Chile have generally been improved over recent years, but please be aware traffic and/or weather conditions may extend driving times. There may be sections of road where the surface may be comparatively bumpy, but our drivers will do their utmost to lessen the impact.

Planes: Internal flights are based on economy class, with reputable airlines. Within Latin America flights are often changed multiple times before departure, both timings and flight numbers. The utmost care will be taken to ensure that your final documents will have the latest information, however your local guide will confirm this in destination. Boarding passes can be collected directly at the airport. The flights booked as part of your itinerary will always reflect the best timings to suit the touring itinerary, with direct flights wherever possible, however due to limited schedules some flights may require an early departure or late arrival.

TIPPING POLICY:

Local tipping is customary in Latin America. However, this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time.

For your convenience, with years of experiences in providing the best customer service, Wendy Wu Tours operates a kitty system on our Group Tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each Group Tour page will be advised again on your final documentation. Tipping is in US Dollars and will be collected by your National Escort on arrival and distributed throughout the tour on your behalf. Any additional tipping on any of our tours is welcomed at your discretion. Further guidance for tipping contributions will be outlined in your final documentation.

We generally find that most customers appreciate the convenience of our tipping policy, but we do recognise that it may not suit everyone. However, as this is a group tour, we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

ACCOMMODATION:

Your accommodation is selected for convenience of location, comfort or character, and can range from corporate hotels to rainforest lodges. Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality may exist between New Zealand and Chile. All group tour hotels have private bathroom facilities and air conditioning where needed. If you experience any difficulty, please speak to your National Escort. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs.

PORTERAGE:

Please be aware that portering is not included on our tours in Latin America. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

CLIMATE:

On this tour, you will be travelling through various regions of Chile with quite diverse climates especially in the Atacama Desert and in the Torres del Paine National Park where all four seasons can be experienced in one trip.

It is recommended to bring lots of layers including the following: T Shirts made of breathable materials, hiking trousers with the option to turn into shorts, a fleece jacket for colder parts (during your visit to the Tatio Geysers on Day 5, early morning temperatures may be as low as -6 degrees Celsius) and the evenings and a waterproof jacket as a shell layer or a light rain jacket, a scarf and hat, warm socks, sensible walking shoes and small back pack that fits into your main hand luggage to carry your daily essentials.

Please refer to our website or brochure for detailed temperature charts

LUGGAGE:

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

EXCHANGING CASH:

The unit of currency in Chile is the Chilean Peso (CLP) and US Dollars can be easily exchanged in Chile, provided notes are new and undamaged. We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited.

Try and keep some small notes and coins on you, as on street stalls and in small shops they may not have the change to break up a high denomination note. If you decide to use US dollars, make sure they are in a good state (not ripped, etc.) or they will not be accepted. ATMs are common across Chile, and we recommend using an ATM inside a bank where possible. Most major credit cards are widely accepted across the continent, though please bear in mind the charges of your provider. Debit cards are also widely accepted but may have a limit to the amount of cash you can withdraw – consult your bank about this before travelling.

PERSONAL EXPENSES AND OPTIONAL TOURINGS:

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you.

Optional Tours - May be offered in each city you visit during your tour. These are not included in the standard itinerary and will only be available if time permits and if seats are available.

Please ensure you have additional funds available if you feel you may wish to participate in any extra activities. Each option will be arranged locally by your National Escort/Local Guide, participation and tipping for optional excursions is completely at your discretion.

VACCINATIONS AND YOUR HEALTH:

We recommend that you contact either your doctor or Health centre for advice on vaccinations and travel health. Safetravel has a comprehensive website that you may also find useful www.safetravel.govt.nz

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.safetravel.govt.nz as in the event of an emergency, New Zealand Consular assistance will be more readily available.

Up until the day you travel, it is vital you keep up to date and familiarised with the entry requirements as these can change at short notice. You are personally responsible for completing any entry forms, conducting any covid tests (if necessary), etc and adhering to countries' specific entry requirements.

You can also access the New Zealand Government's travel advisory service for up-to-date information about your destination on the same website.

AFTER YOUR BOOKING:

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice including a visa application form (if applicable), and a help sheet. Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure.

ITINERARY CHANGES:

It is our intention to adhere to the day-to-day itinerary as printed; however, the order of events or sightseeing may change as we look to improve our tours or as local conditions dictate; in these circumstances we will make the best possible arrangements whilst maintaining the integrity of your trip.
