## TRAVEL INFORMATION

### VISAS:

---

New Zealand passport holders currently do not require a visa to enter, Argentina, Brazil and Chile. Your passport needs to be valid for at least six months beyond your intended return date to New Zealand.

Please note the visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate; Wendy Wu Tours acts as a third party and has no influence on the process of a visa. Your travel consultant will inform you if any changes are applicable prior to your departure.

### INSURANCE:

---

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance.

We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original.

### ALTITUDE:

---

On this tour you will be spending several nights at altitude, and this will be marked on your day by day itinerary. At these sort of altitudes, Altitude Sickness is a risk. Symptoms may include dizziness, fatigue, nausea and shortness of breath. It is recommended that travellers utilize their first day in high-altitude destinations to acclimatise. To help you acclimatise we have designed our tours to be at a slower pace with more convenient stops and more free time, during the first few days. Staying hydrated, eating light meals and following a very light schedule will all help. We recommend that any symptoms that are unusual should be brought to the attention of your guide. Your guide will be extremely well-trained in dealing with its effects – taking it easy and taking some time to acclimatise are the best ways to prevent and combat it. Serious cases, meaning that you must descend immediately, are rare. We have adapted the itinerary to make sure that your time at these heights is as relaxed and easy as possible.

There are no specific factors, such as age or fitness, that can cause you to suffer from Altitude Sickness. It can affect anyone at any time and symptoms may vary. In some instances, a short spell on oxygen can help enormously. All the hotels that we have selected to use on our programmes provide oxygen free of charge, please ask to use this. There is medication - such as Diamox, and the local Peruvian version, Soroche pills - that can help treat and prevent symptoms. Consult a doctor before taking any of these medications, before engaging in strenuous activity at high altitude, and regarding any necessary vaccinations in plenty of time before travelling.

## EATING IN SOUTH AMERICA:

---

South American cuisine is some of the most eclectic in the world, and each country has its own regional specialties worth sampling.

Argentinian food incorporates many European influences predominantly from Italy and Spain. The Argentinian barbecue (asado) with steak and ribs is widely recognised as the country's national dish; however, in Patagonia lamb, goat and seafood are popular. Empanadas, stuffed pastry parcels, are a traditional snack and Dulce de leche (similar to caramel) features heavily in desserts throughout the country. Lunch is usually seen as the main meal of the day in Argentina with dinner being a lighter dish.

Brazilian food is strongly influenced by European and African cuisines, whilst there is not a single national cuisine there is an assortment of regional traditional dishes. In Rio and Sao Paulo, the Brazilian Feijoada is the traditional dish, being a stew made from meat and black beans. In Northern Brazil Cassava (a root vegetable) features heavily in meals. Popular dishes throughout the country include rice and beans, served with meat and salad, fresh tropical fruit is a common dessert. Typical snacks include Pao de Queijo (cheese bread), Coxinha which is a chicken croquette, and Kibe which is a bulgar wheat and beef croquette.

Whilst we strongly recommend trying as many local dishes as possible, Argentina and Brazil also have a wide range of international foods available.

Drinking bottled water and eating well-cooked food is strongly recommended. It's much safer to stick to bottled, treated or boiled water. Ice, along with salads or fruits washed in tap water should likewise be avoided.

Those with dietary requirements will be well catered for - just make sure to inform your booking agent of any specific requirements well in advance of your trip.

All the restaurants we visit will be researched and inspected regularly to ensure that they follow the strictest health, cleanliness, and safety guidelines. All waiting staff will wear face masks and gloves and self-service buffets will be avoided in favour of à la carte dining, waiter-served meals, or waiter-assisted buffets. Hand sanitiser will be provided to the group before and after every food and beverage service.

## TIPPING POLICY:

---

Local tipping is customary in Latin America; however, this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, with years of experiences in providing the best customer service, Wendy Wu Tours operates a kitty system on our Group Tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people.

The amount is stated on each Group Tour page and will be advised again on your final documentation. Tipping is in US Dollars and will be collected by your National Escort on arrival and distributed throughout the tour on your behalf. Any additional tipping on any of our tours is welcomed at your discretion. Further guidance for tipping contributions will be outlined in your final documentation.

We generally find that most customers appreciate the convenience of our tipping policy, but we do recognise that it may not suit everyone. As this is a group tour, we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour. Tipping while on holiday is common in most parts of the world and South America is no exception. We will provide suggested tipping amounts with your final documents for your convenience; however, tipping is entirely at your own discretion.

### SOUVENIRS:

---

There are plenty of interesting bits and pieces to buy as souvenirs in all the visited destinations, such as handicrafts and artworks. In Argentina and Brazil, there are indigenous textiles, handicrafts, leather and artworks. There will be some opportunities during your tour to pick up souvenirs.

### ACCOMMODATION:

---

Your accommodation is selected for convenience of location, comfort or character, and can range from business hotels to rainforest lodges. Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality may exist between New Zealand and South America. All group tour hotels have private bathroom facilities and air conditioning where needed. If you experience any difficulty, please speak to your Local Guide. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs.

### TRANSPORT:

---

**Coaches:** Coaches with air conditioning are used on our group tours, for city short excursions to the countryside and longer transfers between destinations. Roads in Chile have generally been improved over recent years, but please be aware traffic and/or weather conditions may extend driving times. There may be sections of road where the surface may be comparatively bumpy, but our drivers will do their utmost to lessen the impact.

**Planes:** Internal flights are based on economy class, with reputable airlines. Within South America flights are often changed multiple times before departure, both timings and flight numbers. The utmost care will be taken to ensure that your final documents will have the latest information, however your local guide will confirm this in destination. Boarding passes can be collected directly at the airport. The flights booked as part of your itinerary will always reflect the best timings to suit the touring itinerary, with direct flights wherever possible, however due to limited schedules some flights may require an early departure or late arrival.

### GROUP SIZE:

---

Most of our groups consist of 10 travellers or more and will be accompanied by National Escorts. There will usually be no more than 18 travellers in each group.

All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so.

### PACKING LIST AND CLIMATE:

---

On this tour, you will be travelling through various regions of South America with quite diverse climates. It is recommended to bring lots of layers including the following: T-Shirts made of breathable materials, hiking trousers (with the option to turn into shorts), a fleece jacket for colder parts and the evenings, a waterproof jacket as shell layer or a light rain jacket, a scarf and hat and warm socks. Whilst in Argentina and the Brazil coastal area of Rio, it is recommended to bring lots of layers including the items mentioned above. We recommend packing a light fleece jacket for those colder afternoons in Buenos Aires. A small backpack that fits into your main hand luggage to carry your daily essentials should also be taken.

Please refer to our website or brochure for detailed temperature charts.

You will find a complete packing list and a helpful climate chart in the 'Suggested Packing List', which will be included in the pre-departure information link sent within your deposit documentation. Seasonal weather patterns can be quite unpredictable. Up to the minute information on worldwide weather can be found on [www.weather.com](http://www.weather.com).

### EXCHANGING CASH:

---

The unit of currency in Chile is the Chilean Peso (CLP) , in Argentina it is the Argentinian Peso (ARS) and in Brazil it is the Brazilian Real (BRL). US Dollars can be easily exchanged provided notes are new and undamaged. We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited. Try and keep some small notes and coins on you, as on street stalls and in small shops they may not have the change to break up a high denomination note. If you decide to use US dollars, make sure they are in a good state (not ripped etc) or they will not be accepted. ATMs are common across Latin America and we recommend using an ATM inside a bank where possible. Please note, currently there are restrictions on how much cash you can withdraw from ATMs in Argentina. Most major credit cards are widely accepted across the continent; please bear in mind the charges of your provider. Debit cards are also widely accepted but may have a limit to the amount of cash you can withdraw, so consult your bank about this before travelling

### LUGGAGE:

---

All travellers are limited to two items of luggage each, a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

### PORTERAGE:

---

Please be aware that portering is not included on our tours in Latin America. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

### PERSONAL EXPENSES AND OPTIONAL TOURINGS:

---

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you. Optional tours may be offered in each city you visit during your tour at an additional cost. These are not included in the standard itinerary and will only be available if time permits. Each option will be arranged locally by your National Escort/Local Guide.

### VACCINATIONS AND YOUR HEALTH:

---

We recommend that you contact either your Doctor or Health centre for advice on vaccinations and travel health. Safetravel has a comprehensive website that you may also find useful [www.safetravel.govt.nz](http://www.safetravel.govt.nz)

### BEFORE YOU LEAVE:

---

We strongly recommend registering your travel plans with [www.safetravel.govt.nz](http://www.safetravel.govt.nz) as in the event of an emergency, New Zealand Consular assistance will be more readily available.

Up until the day you travel, it is vital you keep up to date and familiarised with the entry requirements as these can change at short notice. You are personally responsible for completing any entry forms, conducting any covid tests (if necessary), etc and adhering to countries' specific entry requirements.

You can also access the New Zealand Government's travel advisory service for up-to-date information about your destination on the same website.

### AFTER YOUR BOOKING:

---

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice including a visa application form (if applicable), and a help sheet. Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure. Updated: December 2024
